   a. Cogent Systems will also establish a billing procedure for these services from an appropriate requesting agency that is willing to pay the applicant’s fee. Billing may only occur after the requesting agency has completed the Cogent Systems’ Agency Pay Agreement. To establish a billing account visit the website www.pa.cogentid.com and download an application. The billing account must be established prior to sending applicants to the fingerprint site.

3. The applicant proceeds to the fingerprint site of their choice for fingerprinting. The location of the fingerprint sites and days and hours of operation for each site will be posted on Cogent Systems’ website at www.pa.cogentid.com. The location of fingerprint sites may change over time so applicants are encouraged to confirm the site location nearest to their location.

4. At the fingerprint site the Applicant Livescan Operators (ALO) manage the fingerprint collection process.

5. The fingerprint transaction begins when the ALO reviews the applicant’s qualified State or Federal photo ID before processing the applicant’s transaction. A list of approved ID types may be found on the Cogent Systems’ website at www.pa.cogentid.com. Applicants will not be processed if they cannot produce an acceptable photo ID.

6. After the identity of the applicant has been established, all ten fingers are scanned to complete the process. The entire fingerprint capture process should take no more than three to five minutes.
7. The applicant’s scanned fingerprints will be electronically transmitted to the Pennsylvania State Police, who in turn submits the fingerprints and demographic information to the FBI as required by federal statute.

8. PDE will receive the Federal Criminal History Record from the FBI. PDE’s School Services Unit will return the Federal Criminal History Record to the applicant. The Record will be printed on standard 8.5” X 11” paper with the Commonwealth Seal imbedded on the paper. This document constitutes an official Record. If an applicant presents their Federal Criminal History Record and the Commonwealth Seal is not embedded on the paper, it should be considered as invalid and not an official Record. If the applicant does not receive the Criminal History Record from PDE within eight weeks after being fingerprinted, they should call (717) 783-3750 or email PDE at dwolfgang@state.pa.us.

**Group Fingerprinting Support**

If you have a requirement to fingerprint a large group of applicants (300 college education majors, a contractor’s entire staff of 120 employees, 50 bus drivers, etc.) Cogent Systems and the fixed site providers will try to accommodate that request. Some fingerprint service sites have the ability to bring portable equipment to your site. If you are in need of Group Fingerprinting Support, visit www.pa.cogentid.com. Service sites in your area that have mobile equipment will be listed. NOTE: This mobile service requires the visited site to provide broadband internet access and access through any firewall. The sites that offer mobile services can provide you instructions, in advance of their visit, that would allow fingerprinting to occur at your site. You must however, plan ahead. Requirements for hosting a mobile Livescan operation can be found at www.pa.cogentid.com

We encourage you to utilize this service but you must plan ahead. Please do not overwhelm the service by sending large groups of applicants to the fixed site locations. If you must send your large group of applicants to a fixed site, please plan for their arrival to occur over days and weeks, not over hours.

**Confidentiality (Security) of Applicant Information**

On-site access to the Livescan equipment, and the data traveling from the equipment, is comprehensively secured and regulated by both Cogent Systems and the regulations governing the use of that data.

• **The Computer System** - The system will be housed within a secured network that is protected by firewall devices configured explicitly to allow only permissible protocols and traffic. Cogent Systems will ensure that all devices procured under this process continue to adhere to the Commonwealth’s Security requirements. The proposed systems will be configured to provide a point of defense with controlled access from both inside and outside the network. The Livescan systems will be configured to support logging and audit capability. Furthermore, the Livescan solution will support 128 bit encryption.

**The Process**

This information will be electronically transmitted to the Pennsylvania State Police, who will in turn submit to the FBI as required by federal statute. PDE will receive the Federal Criminal History Record from the FBI and forward the report to the applicant. The applicant will then provide the FBI Federal Criminal History Record to their prospective employer (or Duquesne University for our students).
