Testing and Vaccines are available in several locations in Pittsburgh:

**Tuberculosis testing** is available Health Service for a fee of $15.00, if not obtained prior to your arrival.

**MMR Vaccine** can be obtained at two (2) locations off-campus:

- **Allegheny County Health Department**
  Oakland, near the University of Pittsburgh
  Fee = $65

- **Duquesne University Center for Pharmacy Care – 412-396-2155**
  Muldoon building on 5th avenue across from the Consol Center near Duquesne
  Fee = 78$

Once obtained, you must submit proof to Health Services that you have obtained the MMR immunization.

*Student Health Insurance does not cover the cost of any of these vaccinations (inoculations), or tests.*
