Eucharistic worship is therefore precisely the expression of that love which is the authentic and deepest characteristic of the Christian vocation. This worship springs from the love and serves the love to which we are all called in Jesus Christ. A living fruit of this worship is the perfecting of the image of God that we bear within us, an image that corresponds to the one that Christ has revealed in us. As we thus become adorers of the Father “in spirit and truth,” we mature in an ever fuller union with Christ, we are ever more united to Him, and—if one may use the expression—we are ever more in harmony with Him.
