The 16th Annual Forensic Science and Law Symposium

Thurs., OCT. 20 – Fri., OCT. 21
Power Center Ballroom, Duquesne University

From the investigation and prevention of homicides and suicides among the mentally ill to litigation strategies based on mental health disorders to the incarceration of individuals with mental illnesses, the intersection of mental health and the law is a busy and complicated space. In an effort to shed greater light on these topics and more, the Institute is convening some of the leading mental health, legal and policy experts from this region and beyond.

Speakers include:

• U.S. Rep. Tim Murphy, author of last year's landmark "Helping Families in Mental Health Crisis Act"

• Forensic psychiatrist and criminal depravity researcher Dr. Michael Welner

• Dr. Katherine Ramsland, author of Confessions of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer

and many, many more…
