PLEASE READ CAREFULLY

The Duquesne University parking permit is a license, not a bailment.

The purchase of a parking permit is authorization to park within a specified area or areas on University controlled property. No liability is created by the granting of parking or vehicle operating privileges on property owned, leased or otherwise controlled by the University. The University assumes no responsibility for the care or protection of vehicles or their contents while operated or parked on University property. Officers of the Department of Public Safety do patrol all University parking facilities.

All parking permits, proximity cards and remotes remain the property of Duquesne University and must be surrendered upon demand. Parking permits are intended for the exclusive use of the purchaser and are not transferable. The unauthorized transfer of a parking permit will result in the loss of parking privileges and could result in the issuance of traffic citations and/or towing. The purchaser is responsible for any and all university citations issued to the vehicles listed and/or issued to any vehicle in which their permit is displayed. **Individuals MUST park in their assigned parking space.** In any case, lack of space is NOT considered a valid excuse for violation of any parking regulation. Any violation will be subjected to a citation.
