HAITI RELIEF EFFORTS

The earthquake that struck Haiti on January 12 devastated the country and took countless lives. Images of this country are extremely graphic and have moved the rest of the globe to action to serve those who are most in need. Duquesne University has been extremely involved in supporting efforts to aid the residents of Haiti through physical and financial donations. Partnering with the Brother’s Brother Foundation, the University donated supplies such as soap, toothbrushes and toothpaste, wet wipes, diapers, and other goods that were packaged in utility containers and shipped with relief teams to Haiti. In total, about 20 sea-going containers stocked with necessary relief supplies were sent from the residents of Pittsburgh and Brother’s Brother alone! Campus organizations are also conducting a variety of fundraisers that are benefitting direct aid groups in Haiti as well and will publicize their events accordingly throughout the semester.

FOUNDERS WEEK EXPLORED SPIRITANS AND ISLAM

Founders Week is an annual celebration that encourages all members of the campus community to witness how to live the mission, and learn more about how the Spiritan charism is still vibrant today. This year’s events focused on the Spiritans and Islam with presentations by Tanzanian Bishop Augustine Shao, C.S.Sp., and scholar Dr. Scott Alexander, Catholic Theological Union, who demonstrated the value of interreligious dialogue and respect for all peoples. Students also enjoyed a special dinner and heritage presentation hosted by the Office of Mission and Identity.

THREE PILLARS OF LENT—PRAYER, FASTING AND ALMSGIVING

We focus on Lent as a time of prayer, especially penance, repenting for failures and sin as a way to focus on the need for God’s grace. It is really a preparation to celebrate God’s marvelous redemption at Easter, and the resurrected life that we live, and hope for, as Christians.

The three traditional pillars of Lenten observance are prayer, fasting and almsgiving.

Read more on page 2.
THREE PILLARS OF LENT

continued from page 1

PRAYER: More time given to prayer during Lent should draw us closer to the Lord. We might pray especially for the grace to live out our baptismal promises more fully through conversion of heart.

FASTING: Fasting is one of the most ancient practices linked to Lent. Fasting is more than a means of developing self-control. It is often an aid to prayer, as the pangs of hunger remind us of our hunger for God. Fasting should be linked to our concern for those who are forced to fast by their poverty, those who suffer from the injustices of our economic and political structures, those who are in need for any reason. Abstaining from meat traditionally also linked us to the poor, who could seldom afford meat for their meals. It can do the same today if we remember the purpose of abstinence and embrace it as a spiritual link to those whose diets are sparse and simple. That should be the goal we set for ourselves—a sparse and simple meal.

ALMSGIVING: It is a sign of our care for those in need and an expression of our gratitude for everything that God has given us. Works of charity and the promotion of justice are integral elements of the Christian way of life we began when we were baptized.

DUQUESNE GREEN NETWORK

On Jan. 27, the Academic Sustainability Committee hosted an open house and information session, exploring how Duquesne University is integrating sustainability into all levels of education and research. The event included a panel discussion where representatives from across the University answered questions and displayed posters. The event showcased faculty and students who are making a difference.

In addition, Duquesne students, faculty and administrators formed the Duquesne Green Network to communicate regularly about the events and activities of sustainable groups on campus. The network consists of several groups including Spiritan Campus Ministry, Net Impact, Evergreen, the Duquesne Student Government Association, the Duquesne Academic Sustainability Committee, and many more. If you’d like to be a part of the Duquesne Green Network, please contact: Luci-Jo DiMaggio at Spiritan Campus Ministry, 412.396.1405.

HAITI

continued from page 1

Donations are also being accepted for the Spiritan fathers in Haiti who are supporting both emergency response and long-term community rebuilding for the residents. Historically, the Spiritans have had a significant presence in Haiti since 1842 and have run the College of St. Martial since 1870. Their work in the country has been far reaching through the parishes, re-forestation, rice growing, and cooperative programs. They were able to launch micro-finance initiatives which have helped many individuals and programs focused on agricultural science. The Spiritan Foundation of Haiti currently has about 40 Spiritans, and about half of these are seminarians. We as a community mourn the loss of seminarian Stephane Dauge as well as the loss of much of St. Martial due to the earthquake. We also pray for the fathers who are serving 200 earthquake victims in their Spiritan house in Senghor. As more needs become known to our campus community, we will continue to serve those needs to the best of our ability, and will continue to come together as a campus to offer prayers and support.
SPRING BREAK SAFETY TIPS

No classes; relaxation; good times; good friends; good music; activities; refreshments. Mix these together and you have a recipe for Spring Break!

The first week in March can be a time for a much needed break. But a shutdown from classes does not equal a shutdown from common sense. Many popular media outlets hype spring break with excess alcohol and drug use—but they fail to show the associated negative outcomes.

DU CARES wants to remind our students to exercise self-control and common sense. Alcohol is no excuse for inappropriate behavior. Have fun, but be smart; be safe; and keep self-control.

HEALTHY TRAVELING TIPS

Pack light but be prepared for minor mishaps
Bring basic supplies and over the counter medications: hand sanitizer, antibacterial cream, anti-diarrheal medication, cortisone cream for insect bites, decongestants, fever and pain relief medication, sunscreen with a minimum 15 SPF and aloe lotion.

Food and water safety
Avoid uncooked vegetables & salads; undercooked eggs, meat and fish; fruits that don’t have a thick rind; and ice cubes. Drink bottled water.

Sun Exposure
Limit your time in the sun. Remember, UV light is reflected from the sand, water, snow and cement. Clouds may block brightness but allow up to 80% of the UV rays through; wear sunglasses with UV protection; wear protective clothing; apply sunscreen 30 minutes before you go out; and understand many medications increase sensitivity to sunlight.

WHAT’S IN A NAME?

Duquesne’s presence on Fifth Avenue may be new, but the building names are steeped in Duquesne history.

Koren Building, 718 Fifth Avenue (formerly part of Robert Morris University)
The Rev. Henry J. Koren, C.S.Sp., was head of the Department of Philosophy in the early 1950s. He was largely responsible for making Duquesne a center for phenomenological existentialism. He also headed the theology department and the Duquesne Press for a time. The Departments of Public Affairs and Human Resource Management now share space in the building.

Muldoon Building, 1000 Fifth Avenue (formerly Panucci Building)
Hugh C. Muldoon was the founding dean of the School of Pharmacy in 1925, and served as Dean for 25 years. The building is now home to the school of Pharmacy’s Wellness and Disease Management Center.

Van Kaam Building, 1308 Fifth Avenue
The Rev. Adrian Van Kaam, C.S.Sp. was a member of the Psychology Department who founded the Institute of Formative Spirituality in 1964. The institute flourished until 1994 and awarded 25 PhDs and 670 Master’s degrees. The building now houses three Academic Affairs units: the Regenerative Medicine program, the ROTC program and Enrollment Systems and Research.

SGA DAILY COMMUTER SHUTTLE

The Student Government Association is actively pursuing new student transportation options.

The Daily Commuter Shuttle (DCS) will consist of two shuttles running continuous loops between the University and other Pittsburgh neighborhoods heavily populated by Duquesne commuters. In mid-February, the SGA will be conducting a student survey in an attempt to understand how the Daily Commuter Shuttle could best serve student needs. To effectively meet these needs, it is very important that SGA acquire accurate information representative of the student body.

The SGA is also currently working with the University administration and the Pittsburgh Port Authority, hoping to reach an agreement where Duquesne students may have the individual option of charging a Port Authority bus pass to their student account. This would allow students to pay for the bus pass using scholarships, student loans and other grants. SGA is hopeful that these students could potentially receive a group rate.
YOU ASKED FOR IT…
GUMBERG LIBRARY ANSWERS AGAIN!

You wanted more outlets in the library for laptop access and they were provided and now…power poles have been added on the 2nd and 3rd floors of the library for your convenience. Gumberg helps you Stay Connected!

SET DU WALLPAPER!
Start showing your Duquesne pride today by downloading your favorite campus theme at www.duq.edu/alumni/desktop.cfm for your computer background!

NEED HELP WRITING A PAPER?
Writing is a complex process, and the Writing Center’s consultants understand that it can be challenging at any stage. We’re here to help with:

One-on-one assistance for academic papers, professional applications, résumés, websites, presentations, and other projects.

Help with writing from all disciplines and all stages of the writing process.

You do not need to have a completed paper to come to the Writing Center. All you need is a writing task and a willingness to engage in active conversation about your work. Consultants offer a teaching, not a proofreading service. The goal of the Writing Center is to help you become more capable and confident by talking with you about ways you can improve your own writing.

The Writing Center offers face-to-face consulting sessions in 216 College Hall and online consulting sessions for distance students in the School of Nursing and School of Leadership and Professional Advancement. We also offer evening hours at the Gumberg Library: Monday and Tuesdays 6 - 9 p.m. in the Popular Reading Area on the 4th floor. Please visit www.duq.edu/writing-center for more information and to make an appointment. We look forward to working with you!
**CELEBRATE BLACK HISTORY MONTH**

The Duquesne University campus community is celebrating Black History Month in February with several events planned and organized by the Black Student Union, the Ebony Women for Social Change, the Multicultural Program Advisory Council, the Office of Greek Life and the Office of Multicultural Affairs. The events are free and open to all Duquesne University students. Select programs are highlighted below:

On Tuesday, Feb. 16 at 7 p.m. in the Pappert Lecture Hall, the BSU hosts nationally acclaimed speaker, Derek Ashong. Mr. Ashong is an eloquent musician who will share his perspectives on President Barack Obama. Ashong is considered to be one of the leaders of a global cultural movement that utilizes a myriad of ways to inspire, engage, and activate young people with positive messages for social change.

On Wednesday, Feb. 24 at 7 p.m. in the Duquesne Room, the OMA and MPAC will host a Student/Alumni Networking Reception. The event will provide students with an opportunity to meet and network with a diverse group of Alumni in a relaxed setting. Attire is business casual.

Please contact the OMA at 412.396.1117 for additional information. For a complete list of programs go to: www.duq.edu/multicultural-affairs/oma-events.cfm.

**LUNAR NEW YEAR FESTIVAL**

Duquesne’s Asian Student Association is a social organization open to all students. ASA promotes diversity through various events such as Asian Festival, cooking, and Paper Lantern Decorating. ASA is excited to be hosting their annual Lunar New Year festival on Monday, Feb. 15 from 5:30-9:30 p.m. in the Duquesne Union Ballroom! Lion dance, ping pong, DDR, origami, judo and calligraphy are just some of the fun activities that will be taking place together with traditional Asian food and drinks! All are welcome to stop by.

**FOLLOW THE DUKES ON FACEBOOK**

The Duquesne University Department of Athletics recently launched a Facebook page at www.Facebook.com/GoDuquesne. Visit today to become a fan!

**DO YOU HAVE A FAVORITE TEACHER?**

Be sure to take part in ODK’s Annual Teacher of the Year Award Program, an annual event sponsored by the Duquesne Chapter of Omicron Delta Kappa, the National Leadership Honor Society. ODK created this event in 1992 to give students the opportunity to recognize a teacher they believe best exemplifies leadership and excellence in the classroom.

Students will have the opportunity to cast their votes from March 15-17 in the Duquesne Union and Towers. The individual selected to receive this award will be honored at the Teacher of the Year Award Ceremony on Monday, April 19 at 4 p.m. in the Duquesne Room. Be sure to vote for the teacher that you believe is most deserving of this award!
GOING GREEK

Recruitment
From Jan. 18 - 24, freshmen and upperclassmen alike participated in Spring Formal Sorority Recruitment. The week of recruitment ended with Preference Day where sororities participated in special rituals unique to their chapter. Following Preference Day, potential new members get to meet their sorority sisters during Bid Night.

Fraternity Recruitment Spring 2010 was also a success. The Office of Greek Life and Interfraternity Council revamped a few things about the process, benefiting each Fraternity and the overall Greek Community. The number of new members in each Fraternity this semester ranged from 5-18 men. Overall, Spring Formal Recruitment 2010 was a huge success and planning for next year is already in place.

Greek Week
Greek Week serves as an opportunity to promote Greek Unity across Duquesne University and celebrates Greek Life’s tremendous presence on campus. Throughout the week, students participate in various events such as Greek Games, Greek Sing, various philanthropy events, and Greek Forum which features guest speaker Andrea Cooper who will be speaking on suicide prevention. The philanthropy events will benefit various organizations on campus, in the city and worldwide. Attendance at these events is not limited to Greeks and other members of the Duquesne Community are encouraged to attend!

Greek Sing
Greek Sing is an integral part of the Greek Week festivities. This event gives members of Greek organizations an opportunity to team up and showcase their talents while engaging in friendly competition with each other. In addition, Greek Sing provides a creative outlet to many individuals.

As Greek Life at Duquesne constantly focuses on upholding the University’s mission statement, all the proceeds of the evening are donated to a worthy charity that is chosen by members of the Greek Community. Greek Sing is just one way that students at Duquesne use their God-given gifts and talents to serve Him by serving others.

Sisters of Gamma Phi Beta preparing for the Greek Week events.

The brothers of Alpha Tau Omega and sisters of Gamma Phi Beta participate in the Chariot Race.

The winners of 2009 Greek Sing are Sigma Alpha Epsilon and Alpha Gamma Delta.
WINTER ACTIVITIES

The Office of Student Activities, Venture Outdoors and the Duquesne Program Council are working to bring the Outdoor Adventure Series every weekend to students, where they can participate in outdoor recreational programs for only $10. Every Saturday through mid-February students will be able to ski and snowboard for this great price, including rentals, lift ticket, transportation and boxed lunch. Events later this spring include snow tubing, rock climbing and horseback riding. Tickets are available at the Union Information Desk.

Conditions were good on Saturday, Jan. 30, when many students were able to go on runs all day and into the evening at Hidden Valley.

SPRING EXPO

It’s never too late in the year to get involved at Duquesne. This year the Office of Student Activities hosted a Spring Student Organization Expo where over 40 organizations were present, urging students to get more information and sign up to get involved.

Sisters of Alpha Gamma Delta were present to give women information about their social sorority.

Lambda Sigma is a Sophomore Honor and Service Society that was represented by Sam Guidish and Molly Beahr.

Spotlight Musical Theatre Company, represented by Justin Adams and Jacob George, puts on musical productions every fall and spring.
FRESHMEN HONORED FOR ACADEMICS

On Jan. 28, over 500 freshmen were recognized by faculty, staff and administrators during the 20th Annual Director’s Circle. The Director’s Circle honors freshmen who achieve a 3.5 GPA or better in their first semester at Duquesne University. The keynote address to over 600 attendees, including parents and staff, was given by Dean of the Bayer School of Natural and Environmental Sciences, Dr. David Seybert. Students Yamilette Ayala and Ryan Kegges shared their experiences during their first semester.

CLASS COUNCILS

Duquesne has a very strong sense of family. To further this sense of community, each class is forming its own class council. The Freshman Class Advisory Committee is the longest standing and provides opportunities for freshmen to get involved with leadership positions and to meet their classmates. They are known for great social events such as pumpkin carving contests, co-sponsoring the Masquerade Ball, and setting up trips, such as the one that took 5 buses to see the premiere of New Moon. So far the Sophomore Class is exploring the options of beginning to create their own class council. The juniors just met to establish the first ever Junior Class Council. This group will help third year students begin to transition to living off campus, explore internships, and talk to Career Services. In addition to these, this council will organize social events for their class to bond and have fun. The seniors have taken on a big role this year by launching the Senior Year Experience, which consists of dinners, social gatherings and other events throughout the year to prepare for graduation. Over the next few years these groups will continue to grow and foster a sense of community at Duquesne.

UP ’TIL DAWN FINALE

On Friday, Feb. 12, from 6 -11 p.m. our campus chapter of Up ’til Dawn “stayed up” to celebrate Duquesne’s contributions to St. Jude Children’s Research Hospital. The event culminated in more letter sending efforts to family and friends, a patient family speaking to students, and an acoustic performance from Nathan Angelo. Up ’til Dawn made significant educational efforts during this year to inform the Duquesne community about catastrophic childhood illnesses, and how all of us could help to conquer cancer. Chapter fundraising has been significant and these efforts will continue through the summer months when chapter leadership attends the national conference in Memphis, TN, at the hospital.

SENIOR CELEBRATION SCHEDULED

Senior Celebration is a University event that recognizes and congratulates our graduating seniors and their families. The event is sponsored by the Duquesne Chapter of Omicron Delta Kappa, the National Leadership Honor Society. Senior Celebration will take place on Saturday, March 27 beginning with Mass in the Power Center Ballroom at 4 p.m. Mass will be followed by individual Dean’s Receptions and then a dinner in the Duquesne Union Ballroom. The featured speaker will be Arnold E. Burchianti, II, MPT, HS ’93, GHS ’94, Chief Executive Officer and Founder of Celtic Healthcare. Student leaders will also be honored at this event. The Eugene P. Beard Award for Leadership in Ethics recognizes a graduating senior who has demonstrated a commitment to moral and spiritual values through their outstanding leadership in the area of ethics in campus life, family life, and the community. The Student Life Leadership Award is presented to several seniors who were evaluated on their dedication to the Mission Statement, leadership positions, service, academic achievements and their presence on campus.

ROOM SELECTION LOTTERY: MARCH 10

It’s not too late to participate in the Room Lottery for the 2010-2011 academic year. Here is some important information that you will need to know:

Each student will be required to make a non-refundable $300 deposit. Deposits must be submitted to the Cashier’s Office in the Administration building. Please keep your receipt. You will need it to select your lottery number.

Lottery numbers will be selected in the Assumption Hall Lobby between 8:30 a.m. and 4:30 p.m. on February 24-26 and March 8-10.

Room Selection will occur on March 10 in the Union Ballroom, beginning at 4 p.m. The buildings available for selection are Assumption Hall, Brottier Hall, Duquesne Towers, and Vickroy Hall.

We will have more Brottier Apartments available than ever before! Please watch for our room selection newsletter in the Living Learning Centers and online at www.duq.edu/residence-life.

LACROSSE COACH RUNS DISNEY MARATHON

Duquesne head lacrosse coach Michael Scerbo ran the Disney World Marathon on Jan. 10 to raise money for The Leukemia & Lymphoma Society’s (LLS) Team In Training. The LLS is the world’s largest voluntary health organization dedicated to funding blood cancer research, education and patient services.

In August 2008, former Dukes attacker Caroline (Gallagher) Cranston was diagnosed with leukemia. In her honor, Coach Scerbo pledged to raise $5,000 to help with patient services and research. Scerbo exceeded his goal with help from former teammates, Duquesne staff, friends and family of Caroline and was able to raise over $5,600 toward blood related cancer research.

**WHAT EMPLOYERS ARE LOOKING FOR**

In this competitive job market, students face higher expectations from employers. According to research conducted by the National Association of Colleges and Employers, more employers are screening candidates for GPA than at any other time over the past five years. However, a high GPA alone is not a guarantee of a dream job after graduation. According to the survey, employers are looking for the total package. They want students that bring a balance of academic achievement, leadership, service and experience related to their career, especially internships. The top factors employers cited were:

- Has held a leadership position
- Major
- High GPA (3.0 and above)
- Extracurricular activities
- Quality of school attended
- Volunteer work
- Career-related experience/internships

Duquesne University provides students with a variety of opportunities to build these important skills both inside and outside the classroom. Students can contact any member of the Student Life staff to find out more about getting involved.
