

This document provides instructions for viewing a list of mobile devices connected to your email account through the Outlook Web Application.

- 1) Log into your Duquesne email account at www.duq.edu/outlook
- 2) In the upper right hand corner, click the Gear icon and choose **Options**

- 3) Expand the **General** option and then choose **Mobile devices**

4) To remove a device from the list, click the — sign. Note: the  icon will wipe all data, apps, and settings on that device. If you feel you need to use this option, please consult with the Help Desk first.

Mobile devices

These are the mobile devices that are synchronizing with your mailbox. To add a new device, set up the device to synchronize with Microsoft Exchange. You can remove a mobile device, access your device recovery password, initiate a remote device wipe, or block your phone if you lose it. [Learn more](#)
