

CURRICULUM VITAE

Gregory F. Marchetti PT, M.S., Ph.D., CPE
107 Rangos School of Health Sciences
600 Forbes Ave
Pittsburgh, PA 15282
Department of Physical Therapy,
Duquesne University

Education:

Doctor of Philosophy,
University of Pittsburgh, Graduate School of Public Health, Department of Epidemiology
Pittsburgh, PA
Epidemiology of Non-Communicable Disease
August 2003

Master of Science
University of Pittsburgh, School of Health and Rehabilitation Sciences
Pittsburgh, PA
Rehabilitation Sciences
April 1994

Bachelor of Science
University of Maryland at Baltimore, School of Medicine
Baltimore, MD
Physical Therapy
August 1983

Licensure Information:

Number PT-001159-E, Commonwealth of Pennsylvania, Physical Therapist Classification
Number DAPT003637, Commonwealth of Pennsylvania, Direct Access Authorization -PT

Certifications (eg. ABPTS):

Certificate, Distinguished Certified Professional Ergonomist credential by the Board of
Certification in Professional Ergonomics 2016-present

Certified Ergonomic Assessment Specialist Levels I, II,III, credentialed by Back School of
Atlanta, 2013-Present

Certified Workers Compensation Health Provider, credentialed by International Sports
Professionals Association. 2012-Present

Employment and Positions Held:

Academic Appointments

Professor

Duquesne University, Rangos School of Health Sciences,
Department of Physical Therapy Pittsburgh PA

March 2021-Present

Associate Professor

Duquesne University, Rangos School of Health Sciences,
Department of Physical Therapy Pittsburgh PA

March 2008-Present

Assistant Professor

Tenure Stream

Duquesne University, Rangos School of Health Sciences,
Department of Physical Therapy Pittsburgh PA

September 2003-2008

Instructor

Duquesne University, Rangos School of Health Sciences,
Department of Physical Therapy
Pittsburgh PA

August 2001 to August 2003

Assistant Program Chair

Assistant Professor

Tenure Stream

Graduate Program in Physical Therapy, Slippery Rock University
Slippery Rock, PA

August, 2000 to August 2001

Instructor in Physical Therapy

Non-tenure Stream

School of Health and Rehabilitation Sciences, University of Pittsburgh,
Pittsburgh PA

March 1991 to March 2000

Other Academic Appointments

Adjunct Assistant Professor

University of Pittsburgh, School of Medicine
Department of Otolaryngology

Pittsburgh, PA

November 2005-present

Adjunct Assistant Professor
University of South Florida, School of Medicine
Transitional Doctor of Physical Therapy Program
Tampa, FL.
September 2011 to 2015

Adjunct Assistant Professor
University of Montana
Transitional Doctor of Physical Therapy Program
Billings, MT
September 2010 to 2015

Lecturer
Chatham College
Department of Physical Therapy
Transitional Doctor of Physical Therapy Program
Pittsburgh, PA
January 2004 to 2012

Non-Academic Work

Consulting Certified Professional Ergonomist
ErgoSmart LLC
Pittsburgh, PA
January 2013 to present

Outcomes Assessment Analyst
WebOutcomes, Inc.
Chattanooga, TN
July 2013 -2018

Clinical Physical Therapist
Risk Management/Quality Improvement Committee Member
Catholic Charities Health Care Center
Pittsburgh PA
January 2011 to Present

Data Analyst and Statistical Consultant
GO Consulting, Inc.
Timonium, MD
June 2011-Present

Assistant Director of Physical Therapy
Department of Rehabilitation Medicine, Pittsburgh Veterans Affairs Health System
Pittsburgh, PA

June 1993 to March 2000

Senior Staff Physical Therapist
Department of Rehabilitation Medicine, Pittsburgh Veterans Affairs Health System
Pittsburgh, PA
March 1991 to June 1993

Director of Physical Therapy
Greater Pittsburgh Rehabilitation Hospital
Monroeville, PA
September 1987 to March 1991

Staff and Senior Staff Physical Therapist
Rehabilitation Institute of Chicago,
Chicago, IL
May 1986 to September 1987

Staff and Senior Staff Physical Therapist
York Rehabilitation Hospital,
York, PA.
August 1983 to May 1986

Current Funded/In Review Grant Activity:

Co-investigator: WOMEN'S HEALTH SECTION AMERICAN PHYSICAL THERAPY ASSOCIATION. Clinical Practice Guideline Development: Functional Lower Gastrointestinal Disorders: Constipation. 2016-2023, \$19,000

Co-Investigator: Duquesne University Faculty Development Fund :Using Wearable Sensors to Establish Digital Biomarkers of Physical Function in Cancer Survivors 2022, \$10,000, 2 years

Co-Investigator: Pittsburgh Pepper Center Pilot Study Funding. Continuous Real-world Sensing of Frailty and Function in Older Cancer Survivors 2022, \$10,000, 2 years

Current/Active Research Activity:

Real world physical function and clinical performance in cancer survivors: pilot study data collection underway. NIH proposal in preparation, manuscript accepted 1/24.

Type, Dose, and Outcomes of Physical Therapy Interventions for Unilateral Peripheral Vestibular Hypofunction: Protocol for a Systematic Review. Collaborative study with Army-Baylor University, University of Michigan, Emory University, Rochester Institute of Technology, University of Pittsburgh, East Tennessee State University. Formal systematic review proposal submitted for publication after reviewer revisions.

Management of critically ill pediatric clients in the home. Collaborative project with Aveanna Healthcare. The purposes of this collaboration are to: 1) identify clinical factors (health condition, functional status) that influence potential response to skilled intervention and patient outcome as defined by physiologic status and physical performance measures employed during assessment, reassessment and discharge; 2) Identify key skilled care planning and intervention considerations to improve resource stewardship with intent of optimizing patient experiences and outcomes. Data use agreement with Duquesne University submitted to University legal, IRB in preparation.

Prehabilitation Interventions for Solid Tumor Cancers: Multistage project in collaboration with DU school of nursing. Scoping review in progress with goals of eventual clinical trial to develop strategies to improve function for patients undergoing treatment for cancer.

Musculoskeletal Injuries in conductors. Collaborative study with Duquesne University School of Music. One manuscript published, second study in data collection/analysis, manuscript presentation; One national platform presentation at American Choral Directors Association Research Symposium:

Vestibulo-ocular, Neuropsychological, exertional and postural control recovery after Mild Traumatic Brain Injury: Ongoing collaborative project with University of Pittsburgh Department of Engineering and Department of Medicine. See manuscripts section for publications.

Accelerometry measurement balance deficits in athletes after mild traumatic brain injury. Collaborative study with Colby College; Manuscript in review.

Pluralistic ignorance in reporting of concussion injuries. Collaborative study with University of New England. Data analysis and manuscript in progress. One national presentation completed

Activities Avoidance Associated with Dizziness and Imbalance. Collaborative project with University of Pittsburgh and Mayo Clinic. See manuscripts and presentations for outcomes. Abstract submitted for CSM 2023.

Social Determinants of Physical Therapy Outcomes in an Underserved Population. Collaborative study with Texas Women's University. Data collection completed, analysis in progress, abstract submitted for CSM 2023

Type, Dose, and Outcomes of Physical Therapy Interventions for Unilateral Peripheral Vestibular Hypofunction: Protocol for a Systematic Review. Collaborative study with Army-Baylor University, University of Michigan, Emory University, Rochester Institute of Technology, University of Pittsburgh, East Tennessee State University

Physical activity in older adults post-cancer treatment. Collaborative study with Duquesne School of Nursing, University of Pittsburgh Department of Psychology and Cancer Institute.

Membership in Scientific/Professional Organizations:

American Physical Therapy Association,
Neurology Sections (1983), Communications Committee Chair, 1998-2000.
Orthopedic Sections (1987-90)
Geriatric Section (2001)
Section on Hand Rehabilitation (2004)

Association for Research in Otolaryngology (2006-Present)

International Association for Study of Pain (2011-present)

Board of Certification in Professional Ergonomics (2016-present)

American Congress of Governmental Industrial Hygienists (2016 to present)

Barany Society, (2018 – Present)

Consultative and Advisory Positions Held:

Consulting Certified Professional Ergonomist
ErgoSmart LLC
Pittsburgh, PA
January 2013 to present

Community Service:

Catholic Charities of Pittsburgh Free Health Care Center (2010-present)
Manager and Provider of Physical Therapy Services to those without health insurance
Quality Improvement and Risk Management Committee: Co-authored procedure for intimate partner violence screening.

Research Consultant, Standing and Osteoporosis Project. Day School, The Children's Institute of Pittsburgh, June 2005-July 2006.

Geriatric Research and Intervention Program, Board of Directors Member (2009-2012)

Blackridge Civic Association: Fundraising, Event planning and participation: 12 hours, July 2008.

H.E.A.R.T. Counseling and Educating Traumatized Children, Board of Directors (non-profit organization), August 2007 to June 2008

Monastery of the Discalced Carmelite Nuns of Loretto, PA: Volunteer consulting in monastery infirmary, direct patient consultation, obtain and donate orthoses, books, exercise programs. March 2003 to 2019

Services to the University/College/School on Committees/Councils/Commissions:

University-wide

Provost's ad-hoc committee for student grade appeal process (2017-2018)

Faculty conduct review committee (2019)

Faculty Handbook Review Committee (2020-2021)

School

Rangos Diversity and Inclusion Committee (2020-Present)

Search Committee Diversity Liaison (2021-Present)

Department

Assistant Chair (2021-Present)

Matriculation Exam Committee (2008-2014)

Curriculum Review Committee (2014-present)

Faculty Search Committees (2015-Present)

Professional

Department of Defense review panel (2016): research grant proposals on neurocognitive outcomes after combat-related traumatic brain injury

Manuscript Reviewer

Gait and Posture, 2012-Present

Journal of Neurological Physical Therapy, 2008-Present

Journal of Vestibular Research, October 2006 - Present

Journal of the American Physical Therapy Association, January 2005 – Present.

Editorial Board Member Editorial Board, Journal of Neurological Physical Therapy, 2012-Present

Continuing Education Attended: list ONLY courses taken **within the last five (5) years** that **specifically relate** to responsibilities in the entry-level program.

Child Abuse Recognition Training: University of Pittsburgh, Colibri Healthcare, 2020, 2022.
Remote Ergonomic Assessment Education, Practicum and Certification, Back School of Atlanta I and II, 2021
Pain Neuroscience Education, OPTP, 2020
Using Imaging to Your Advantage, Lower extremity and spine, ContiuED, 2018
Optimizing Lower Extremity Strength for the Masters Runner, Physical Therapy.Com, 2020.
Maximizing Performance in Recreational and Competitive Athletes over 50, Physical Therapy.Com, 2020
Diagnostic Imaging of the Spine, Parts 1 and 2 Physical Theraopy.com, 2020
Using Imaging to Your Advantage: The Upper Extremity and Differential Diagnosis, Physical Theraopy.Com, 2020.
Geriatric Medical Screening for the Rehab Professional, Physical Theraopy.com, 2020
Adult Medical Screening for the Rehab Professional, Physical Theraoy.com, 2020
Mechanism-based Assessment and Clinical Reasoning for Persistent Pain, 2020.
What Should I Do? An Ethical and Legal Approach to Scenarios Experienced in Clinical Practice, PPTA, 2020
Medical Imaging in Geriatric Physical Therapy, Part 1 and 2 (Musculoskeletal and Neurological); APTA, 2021
Essentials of Performing Arts Medicine, PAMA, 2021
Pre-participation Screening Tool for Dancers, Instrumentalists, Vocalists and Actors, PAMA 2021.
The Performing Artist: Injury Prevention and Rehabilitation for the Musician and Dancer, Duquesne University, 2021.
KNOWLEDGE-TO-ACTION: MOVING CLINICAL RESEARCH INTO PRACTICE, JOURNAL CLUB Joseph Schreiber PT PhD FAPTA 2021
When the Pain Won't Go Away: Persistent Pain Management, MedBridge, 2020
Pain Peculiarities in Everyday Life, MedBridge 2020
The "How-To" of Teaching Patients about Pain, MedBridge, 2020
Engaging Patients in Multimodal Pain Care Plans, APTA, 2020.
Social and Cultural Constructs of Pain, MedBridge, 2020.
Warning Signs for the Perception of Pain, MedBridge, 2020.
The Neuroscience of Sprains, Strains, Pain and Sports Performance, MedBridge 2020
Ethics for Physical Therapy and Occupational Therapy Professionals, MedBridge, 2022
Pelvic Pain Applications in Rehabilitation, MedBridge 2022.
Medical Screening and Clinical Decision Making, MedBridge, 2022.
Differential Diagnosis & Screening: Introductory Concepts, Cardiovascular & Respiratory, MedBridge 2022.
Medical Screening and Clinical Decision Making, MedBridge 2022.

Current Teaching Responsibilities in the Entry-Level Program for Academic Year of Site Visit:

Courses as Primary Faculty:

PHYT 570: Ergonomic and Environmental Interventions, Summer Semester, Fifth Year (3 Credit Hours)

PHYT 625: Physical Therapy Administration and Leadership, Fall Semester, Sixth Year (3 Credit Hours)

PHYT 601: Differential Diagnosis in Physical Therapy, Fall Semester Sixth Year (2 Credit Hours)

PHYT 436: Psychology of Illness and Disease, Spring Semester, Fourth Year (3 Credit Hours, 10% contribution)

PHYT 605: Cardiopulmonary Disorders, Fall Semester Sixth Year (3 Credit Hours, 5 % contribution)

PHYT 508: Examination Methods, Summer Semester Fourth Year (3 Credit Hours, 10% contribution)

PHYT 462: Special Topics in Geriatrics, Summer Semester, Fifth Year (2 Credit Hours, 10% contribution)
