

North American Pharmacist Licensure Examination®
Branch, Campus, and Pathway Reports for 2025 Graduates

Prepared by NABP
May 21, 2026

Report Data Details

The data in this report were aggregated under the following conditions:

- Examinees were grouped by their school's reported location
- Examinees who graduated before OR after the reported years were NOT included in the report
- Examinees who tested before OR after the reported years were NOT included in the report
- Examinees who did not receive a score on an exam attempt were NOT included in the report
- Only ACPE-accredited institutions are included in this report
- A school branch and/or campus refers to those schools reporting multiple or secondary location(s)
- A school pathway refers to the route and structure for achieving a Doctor of Pharmacy (eg, 3-year, accelerated)

Percentages in this report are rounded to the nearest tenth decimal place. These values are subject to change in the future as graduates within each year complete additional examinations.
