2025-2026 Special Circumstance Request Form

Complete this Change in Financial Circumstances Form to report special circumstances that may impact your or your family's ability to pay your educational expenses at Duquesne University for the 2025-26 academic year. Before your Change in Financial Circumstances Form will be reviewed, Duquesne must have received a 2025-26 Free Application for Federal Student Aid (FAFSA), and if applicable, all documents requested for verification. Duquesne University will review a student's financial aid eligibility when a special condition or circumstance arises that will affect the total family income by more than \$5,000 for the 2024 calendar year.

By completing this form and returning required documentation, the Office of Financial Aid will be able to determine whether you may be eligible for additional financial aid funding. This form cannot, however, determine an increased eligibility for the Pennsylvania State Grant (Pennsylvania residents only).

Pennsylvania State Grant recipients should contact the Pennsylvania Higher Education Assistance Agency (PHEAA) at 1-800-692-7392 in order to be considered for further PHEAA Grant funding. PA State Grant forms can also be found online at https://www.pheaa.org/grants/state-grant-program/forms.shtml.

NOTE: This form does not guarantee a change in the amount of financial aid that you have previously been awarded. Your 2025-26 Free Application for Federal Student Aid (FAFSA) data will be reviewed as part of the special circumstances process. Original award amounts may increase or decrease as a result of this process.
