Duquesne University sponsors the Duquesne University 403(b) Retirement Plan (the "Plan"). Eligible University employees can voluntarily elect to defer a portion of their salary to the Plan to supplement their retirement savings.

Eligibility

Generally, all common law employees of the University who receive compensation reportable on a Form W-2 are eligible to participate in the Plan. The only employees not eligible to participate in the Plan are employees who are students who are not subject to FICA payroll taxes. Thus all employees, aside from the students described above, are eligible to make voluntary contributions to the Plan. This includes part-time employees and adjunct faculty who are not eligible for any matching University contributions but are still eligible to make voluntary contributions to the Plan.

Contributions

An employee can elect to defer a portion of his or her compensation to the Plan on a pre-tax or post-tax basis. With the pre-tax option, Federal income taxes are deferred on the contributions and any earnings thereon until distributed from the Plan. Distributions are taxed as ordinary income for Federal tax purposes. With the post-tax (or Roth) option, taxes are paid at the point of contribution, instead of paying them at the time of withdrawal.

Employees can invest their contributions to the Plan among the investment options offered by an approved vendor under the Plan. Employees are 100% vested in their accounts under the Plan at all times.

Contribution Limits

Annual contributions to the Plan are limited per IRS rules. The contribution limits for the 2018 calendar year are:

Basic Elective Contribution: $18,500  Age 50+: $24,500

To Enroll

Eligible employees can begin participating in the Plan at any time. To enroll in the Plan, an employee must complete both (i) an approved vendor's application to open an account and (ii) a Salary Reduction Agreement to elect the contribution amount. Contributions are designated as a percent of salary. The Agreement will apply only to amounts earned after enrolling in the Plan, and an employee's election will continue until the Salary Reduction Agreement is modified or revoked by the employee.

To Modify a Deferral Election

Employees may increase, decrease or stop their voluntary contributions to the Plan at any time. Employees may also change the approved vendor to which their contributions are made at any time.

Approved Vendors

The current approved vendors under the Plan are Fidelity Investments and TIAA. Employees should contact each vendor for information about the Plan investment options and services it offers.
