Prepared for CTE 20th Anniversary

As part of our 20th anniversary celebration, the Center for Teaching Excellence has compiled this list of scholarship by Duquesne faculty on teaching and learning in higher education.

Please help us complete this list by checking the accuracy of the entries, and by sending missing references to cte@duq.edu. We also welcome scholarship by graduate student teaching assistants relevant to their teaching at Duquesne. We have included conference proceedings, but not conference presentations.
