STUDENT INFORMATION

1. Eligibility. Second and third-year law students with a cumulative GPA of 2.0 or higher are eligible to participate in an externship. Students with an overall GPA below a 2.0 may be ineligible for participation and should notify the director at the first appointment to determine eligibility. Students must meet with Prof. Katherine Norton, Director of Clinical Legal Education or Prof. Grace Orsatti, Externship Director, before an externship can be approved.

2. Externships. Private law firms are not approved unless they are nonprofit public interest entities (cf. section 501(c)(3) of the Internal Revenue Code) and the student is unpaid. New externships can be approved if they provide a significant opportunity not otherwise available, meet clinical educational objectives and department standards, and afford adequate field and faculty supervision.

3. Credit. Hours cannot be accrued during travel time, lunch, breaks, or holidays. Credit can be granted only after satisfactory completion of 46 hours of work for 1 credit, 93 hours of work for 2 credits and 140 hours of work for 3 hours of credit. No more than 18 non-classroom credits may be counted towards the J.D. degree. The Financial Aid office will be able to inform a student the cost per credit.

4. Seminar requirements. Concurrent enrollment is required in a corresponding Advanced, Judicial, Public Interest, or Government Seminar. Students who have previously been enrolled in an externship must also complete a seminar. Students will be placed in the appropriate seminar when they submit their registration paperwork. Seminar hours DO NOT count towards externship hours.

5. Reporting requirements. Timesheets may be hand-delivered, emailed or faxed to Ms. Licciardello or Professor Orsatti.

6. Evaluations. Field supervisors are required to complete mid-term and final evaluations of their externs. The mid-term evaluation is intended to encourage discussion between the extern and supervisor about the externship’s direction and progress. The final evaluation is completed by the supervisor alone. Externs must also complete a Student Externship Evaluation at the end of the externship.
