THE CENTER FOR INTERPRETIVE AND QUALITATIVE RESEARCH AND THE DUQUESNE POLITICAL SCIENCE DEPARTMENT PRESENT...

...a celebration and book launch of Dr. Clifford Bob's new work, Rights as Weapons: Instruments of Conflict, Tools of Power (Princeton University Press, 2019). For this event, Bob will give an address highlighting his analysis of the problematic assumption that rights are primarily protections for the powerless and vulnerable. He instead will offer an important alternative view that considers the dangers of rights when used by the politically powerful to control and manipulate weaker communities.
