Catholic Health Initiatives – Human Trafficking Prevention Resources

The resources on this page are from the education component in Catholic Health Initiatives’ (CHI) multi-faceted approach to addressing human trafficking (complete model below).

Educational Resources:

**Addressing Human Trafficking in the Health Care Setting** – an in-depth clinical education module, approximately 25 minutes in length. This course has an accompanying brochure, a downloadable Quick Reference Guide that a provider can access using a mobile device and an accompanying web page with additional resources. *All resources can be found at: [https://www.catholichealthinitiatives.org/en/our-mission/advocacy/violence-prevention/human-trafficking-and-the-role-of-the-health-provider.html](https://www.catholichealthinitiatives.org/en/our-mission/advocacy/violence-prevention/human-trafficking-and-the-role-of-the-health-provider.html)*
